[Advanced one line drawing video of artist: Katie Wolford](#)

Continuous line drawings provide an excellent way to help you develop hand eye coordination. Continuous line drawings are made by keeping the pen, marker, crayon or pencil in contact with the paper for the duration of the exercise, and by matching speed of looking with speed of drawing.

Watch the above videos of continuous line drawings and complete activities below:

- Your mission is to complete 3 continuous line drawings as a drawing exercise to help improve how your hand and eyes work together to help you draw: (5-8 minutes minimum on each drawing)
 - Drawing 1 - Portrait
 - Drawing 2 - Animal
 - Drawing 3 - Object—Ideas: music instrument, shoe, backpack, toy, keys
